| 4 | - Coding with data |
| 5 | - Data sources and visualisation |
| 6 | Assessment 1: In-class test |
| 7 | Reading week |
| 8 | Block 2: Analysis and interpretation<br>- Data collection |
| 9 | - Data processing |
| 10 | - Reporting and evaluating results |
| 11 | Coursework support session, including blog review point* |
| 12 | Assessment 2: Coursework submission |

*** Blog review point**

In Week 11, you will be offered an opportunity to receive formative feedback on your blog. The blog review point does not contribute to your overall module mark. Every student will be requested to deliver a five-minute slide-assisted presentation outlining their plan for the blog:

1. Topic (title)
2. Research problem
3. Research question
4. Data
